ABOUT ME

As a highly driven and creative individual, I have a strong passion for marketing and self-improvement. I am a personable and outgoing individual dedicated to building lasting relationships and developing new skills. With a determined mindset, I constantly seek out new opportunities for growth and success.

EXPERIENCE

Customer Assistant
Dan Murphy's Brighton
November 2021 - Current

Product knowledge, merchandising and customer service.

IT Support Officer
Monash Univeristy eSolutions
June 2018 - July 2019 - 1 year

Service desk: Inbound and outbound calls, logging tickets, serving students, resolving or escalating IT issues, installing software, AV calls and basic troubleshooting.

Deployment: Delivering and setting up Monash computers, monitors and/or docks. I also assisted with the transferring of the clients data across from the old device to the new one.

Software experience: Office 365, Monash accounts, Callista, LogMein, SCCM, SAP, software instalments, Remote logins and incident escalations.

Personal Businesses

Wagersan: Creative UI design for mobile application, business plan creation, collaboration with business partner and international developer firm, overcoming difficult and unexpected problems, WordPress website development, and SEO optimization.

Attention Apparel: Shopify, fulfilment and customer service, email marketing, social media marketing, business registration and setup, conversion optimisation, Facebook Ads, Google Ads, organic TikTok posts.

EDUCATION

La Trobe University
Bachelors of Business Marketing and Management
2018 - June 2023 (expected to finish)

Brighton Secondary School
2011 - 2016
